RISK MANAGEMENT POLICY

1. BACKGROUND

Sonaselection India Limited (“the Company”) is engaged in the manufacture of textile. The business activities of the Company carry various internal and external risks. The Board of Directors of Sonaselection India Limited has adopted a Risk Management Policy (“the Policy”) in compliance with the requirements of Section 134 of the Companies Act, 2013 (“the Act”) and Regulation 17(9) and Regulation 21 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”).

‘Risk’ is the effect of uncertainty on objectives. Risk is measured in terms of consequences and likelihood. Risk can be internal and external and are inherent in all administrative and business activities. Every member of the Organization continuously manages various types of risks. Formal and systematic approaches to managing risks have evolved and they are now regarded as good management practice.

‘Risk Management’ is a set of coordinated activities to direct and control an organization with regard to risk. It is the identification, assessment, and prioritization of risks followed by coordinated and economical application of resources to minimize, monitor, and control the probability and/or impact of uncertain events or to maximize the realization of opportunities.

Effective risk management requires:

- ❖ A strategic focus,
- ❖ Forward thinking and active approaches to management
- ❖ Balance between the cost of managing risk and the anticipated benefits, and
- ❖ Contingency planning in the event that critical threats are realized.

In today’s dynamic, challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the company are essential.

2. CONSTITUTION OF RISK MANAGEMENT COMMITTEE

The Board has authority to reconstitute the Risk Management Committee from time to time as it deems appropriate.

3. OBJECTIVE AND SCOPE OF THE POLICY

The main purpose of this policy is to ensure sustainable business growth with stability and to promote a pro-active approach in reporting, evaluating and resolving risks associated with the Company’s business. In order to achieve the key objective, this policy establishes a structured and disciplined approach to Risk Management, in order to guide decisions on risk related issues.

The specific objectives of this policy are:

- ❖ To ensure that all the current and future material risk exposures of the Company are identified, assessed, quantified, appropriately mitigated, minimized and managed i.e. to ensure adequate systems for risk management.
- ❖ To establish a framework for the Company's risk management process and to ensure its implementation.
- ❖ To enable compliance with appropriate regulations, wherever applicable, through the adoption of best practices.
- ❖ To assure business growth with financial stability.

4. APPLICABILITY

This policy applies to all areas of the Company's operations.
